

## **Leahurst Research Grant**

The Leahurst Research Grant supports nursing and midwifery research undertaken in South Australia that may also extend to a national level.

The research objective must be to improve a specific area of nursing or midwifery practice and should demonstrate how this will be achieved.

Funding available for research is up to \$30,000 to be conducted over a maximum of 2 years.

Applications are due by 30<sup>th</sup> June each year.

Please read the terms and conditions and prepare applications according to the checklist provided.

## Leahurst Research Grant Terms and Conditions

- The Chief Investigator is an AHPRA registered nurse or midwife.
- The Chief Investigator has a PhD qualification.
- The focus of the proposed research relates to nursing or midwifery practice or education.
- The due date for an application is 30<sup>th</sup> June in any given year.
- One copy of the application including the Chief Investigator's CV and the completed checklist is to be emailed as an attachment to:  
[SamanthaCreten@deannewbery.com.au](mailto:SamanthaCreten@deannewbery.com.au)
- The decision to award or not award a grant is final and no further correspondence will be entered into.
- Applicants will be notified by 31<sup>st</sup> August in the year of the application via email.
- The Foundation reserves the right to not award a research grant in any given year.
- Research is to be undertaken in South Australia within 1-2 years.
- Funding available is up to a total of AUS\$30,000.
- Funding is to be administered by the organisation or the educational institution of the Chief Investigator.
